Sponsorship Commitment Form Downtown Harbor Initiative R/UDAT Fund Campaign

Downtown Petersburg holds a tremendous amount of promise. It is a promise of economic revitalization and growth. Our local businesses and residents have invested in that promise and are counting on it being kept. Likewise, potential residents and entrepreneurs are hoping for the same.

Downtown Petersburg Incorporated (DPI) is proud to be the managing organization of the Downtown Harbor Initiative. The Regional/Urban Design Assistance Team (R/UDAT) effort requires a significant amount of resources in order to be effective in developing a plan that is representative of what the community needs and expects. You have a unique opportunity to play a key role in moving us one more step closer to realizing that all important goal and we ask that you consider making a contribution to this effort.
